---

**1366 Mission Street** is a dynamic conference center and special event facility located just one block south of Market in San Francisco's exciting SOMA district.

**1366 Mission** is an ideal location for:

**Work Shops & Conferences**  
**Education & Training Programs**  
**Strategic Planning & Design Sessions**  
**Work Group & Board Meetings**  
**Gallery Showings & Special Events**

This thirty five hundred square foot, open meeting space is equipped with a state-of-the-art work furniture system that configures to the specific requirements of each workshop or special event.

Our mobile, magnetic, grey board presentation walls are perfect for most any display, capture or documentation need. The system is designed to promote collaboration and helps participants deliver productive results in accelerated time frames.

The facility can accommodate large groups of up to 60 participants (with multiple breakout spaces for focus group work), or can support any number of smaller sized individual meetings.

We provide complete facilitation and knowledge worker support (if needed) and produce a number of multi media work products and documentation packages to record your event.
